Dear Mr. Deskovic:

I am writing to thank you for sharing your story and experiences with the Roger Williams University community on May 3, 2007. The feedback we received from our students and other audience members was very positive. Not only did they comment on your excellent public speaking skills, but they found your presentation to be both educational and moving.

I would also like to thank you for meeting with students and members of the faculty in smaller group settings. The feedback from these meetings was also very complementary. I was particularly impressed with your ability to connect with people from various backgrounds, and your willingness to share your story with honesty and clarity.

I wish you the very best in all of your future endeavors. Please do not hesitate to contact me if I may be of some assistance to you in the future.

Sincerely,

Melissa Russano, Ph.D.
